

Family name **MUNTEANU Adrian**  
First name  
Title Associated Professor PhD  
Adress:  
Office: TEX6  
Phone: +40-232+701279  
Fax: +40-232-237627  
e-mail: amunteanu@tuiasi.ro

#### **Didactic activity**

Courses: *Automotives Electric Propulsion Systems*  
*Electrical Engineering Technology*  
*Electrical Machines Testing*  
*Electrical Machines,*  
*Electrical Machines I,*  
*Electrical Machines II*

Labs/projects/s  
eminars: *Automotives Electric Propulsion Systems*  
*Electrical Engineering Technology*  
*Electrical Machines Testing*  
*Electrical Machines,*  
*Electrical Machines I,*  
*Electrical Machines II*

Teaching  
materials (link  
): <http://masinielectrice.wixsite.com/tuiasi/publicatii>

#### **Scientific activity**

Research fields Electrical machines design and optimization  
Automotives electric propulsion systems  
Electrical engineering technology

Publications: 2 courses at CNCSIS publishing house  
1 book chapter at foreign publishing house  
73 scientific papers:  
-19 articles ISI Web of Knowledge  
-28 articles published in journals indexed in databases  
-26 articles published at national and international conferences

Research  
grants: 1 national grant as project manager  
2 national grants as team member  
1 international grant as visiting scholar

#### **Collaborations / Other activities:**

International  
partnerships  
and  
collaborations:

National  
partnerships  
and  
collaborations:

Member of: IEEE, SETIS
