

Family name **URSULEAN Radu**
First name
Title Professor, PhD
Adress: Bd. D.Mangeron nr. 23
Office: E507
Phone: +40-232+701279
Fax: +40-232-237627
e-mail: ursulean@tuiasi.ro

Didactic activity

Courses: Electrical Engineering Basics, CAD Optimization of Electric Circuits, Thermal and Electromagnetic Modeling, Optimization Methods
Labs/projects/seminars: Electrical Engineering Basics, CAD Optimization of Electric Circuits, Thermal and Electromagnetic Modeling, Optimization Methods
Teaching materials (link): <http://www.ethgen.ee.tuiasi.ro/>

Scientific activity

Research fields Circuits Theory, Signal Processing
Publications: 5 books, 50 papers
Research grants: 6 grants (2 as director)

Collaborations / Other activities:

International partnerships and collaborations: Member of the editorial board "Electronics and Electrical Engineering", Lithuania
National partnerships and collaborations: Partner in UMF Iasi grants
Member of: SETIS, IEEE
